

ICCCP 2020

2020 10th International Conference on Chemistry and Chemical Process

Tokyo University of Science, Tokyo, Japan | February 26-29, 2020

ICCCP 2020 (<http://www.icccp.org/>) aims to foster and conduct collaborative interdisciplinary research in state-of-the-art methodologies and technologies within Chemistry, Chemical Engineering and Chemical Process. The meeting aims to attract participants with different backgrounds, to foster cross-pollination between different research fields, and to expose and discuss innovative theories, frameworks, methodologies, tools, and applications.

IMPORTANT DATE

Submission Deadline	October 5, 2019
Notification Deadline	October 25, 2019
